

ENTRY FORM

Partnership & Team Working - Sponsored by WaterWipes

Before you complete the entry form please take a moment to read through the below information carefully as it contains important information regarding your entry such as, deadlines, word limits and details about what will happen if you are shortlisted for your category.

Eligible: Any RCM member

Individual or team category: You can submit an entry for a team only

Entry or nominated: Entrants can either self nominate or submit a nomination for a colleague

Category description: This award is for the **midwifery or maternity** team (encompassing midwives, midwifery educators, the medical team, maternity support workers/nursery nurses, allied health professionals and others) that is able to demonstrate attributes of dynamism, commitment and enthusiasm, and high levels of excellent inter-professional team working or partnership with others. The award will recognise a team that may have designed a unique way of working or model of care within a contemporary maternity service. The team will be one that has an appropriate skill mix and an innovative and consistently high-quality approach to the provision of care to women, their babies and families. It may include a team providing routine or specialist maternity care.

This project or initiative will be one in which midwives demonstrate active involvement and collaboration with the multidisciplinary team and involve service users/local community to develop models of care built on principles of partnership, accountability and professional excellence.

The judges are looking for:

- A clear description of the team composition and ways of working including identification of the problem to be solved, rationale for the approach, context, planning and implementation
- Evidence of needs assessment that included the community
- How was the team chosen/what was the process for choosing team members
- How the team members work together to enhance care provision with explicit detail about how the team worked collaboratively with service users, the multidisciplinary team, other agencies and stakeholders to achieve their aims
- Evidence of how regulated and non-regulated roles integrate for seamless care
- Implementation and evaluation strategies
- Evaluation of impact of project including sustainability, transferability and lessons learnt.

Please note: all entries must be submitted online via the RCM Awards website: www.rcmawards.com

Submission Rules:

In order to ensure a smooth and efficient entry process we ask that you follow some simple rules:

- Your entry form **must be anonymous**. If the judges are able to identify your entry, it may be disqualified.
- The word count for entries is **750 words** (This includes all sections of the entry form). References are not included in this word count. If your entry does exceed this word limit you run the risk of being disqualified.
- Make sure that you are completing the correct entry/nomination form for your category.
- Select categories allow the entrant to supply supporting documentation. If this applies to your category please supply it as a separate document and limit it to 3 single sided A4 pages.
- You must complete the official entry form. Other documents cannot be accepted.

What happens next?

- The shortlist will be announced in March 2023. All entrants will receive an email notifying them when the shortlist is announced.
- All shortlisted entrants are expected to attend an individual judging day to present their project to a panel of judges. Please note that the RCM cannot reimburse or cover midwives' travel and/or accommodation costs to attend the interview days or the awards day.
- A maximum of two complimentary tickets will be provided for each shortlisted entry for the named entrant, or entrants, or nominated entrant and their nominee to attend the RCM Awards event held on 19 May 2023 in London.

***PLEASE DO NOT INCLUDE YOUR NAME OR NHS ORGANISATION NAME ON THIS FORM. THIS ENTRY MUST BE ANONYMOUS**
